Miss Tiff's News :

Happy Term 4 everyone! We are on the home stretch of the year and concert time is just around the corner. Concert costume invoices and information packs have been emailed and posted in our Facebook group. Keep an eye out in our Facebook groups to ensure you have all of the current covid concert information, and have a read through our Showcase concert handbook and the rules and regulations that all of our BPA parents and students need to abide by.

Concert tickets for Showcase will be going live at 9am Nov 14th. All tickets are general admission and seating will be allocated by BPA staff. All families/Households will be seated together, 1 person per family will need to purchase all tickets together to ensure seats together.

All of our kids are working so well during this incredibly hard term 4 period, will both concert work and December exam work in full swing we are all powering through term 4. It is incredibly important not to miss any classes when possible with exams in less than a month and new choreography being taught each lesson students need to check in with their teachers and classmates to see if they have missed anything and be caught up on it before their next lesson.

We have lots of events and rehearsals coming up in the next month, please check our BPA calendar and ensure you are on top of when your child need to be at dance and when our rehearsals and events are on.

Lets have the best Term 4 and concert season with our dance family

With Love Miss Tiff x

BPA Dance Second Hand Store

WE ARE NOW ON FACEBOOK!!

This page will now be your one stop shop for all our Secondhand dance gear.

This will now allow you to have a look through all our stock and be able to message us direct or comment on the photo of any item you are interested in.

So how does this work?

If you are buying?

Feel free to look over the page. We have divided all the shoes and clothing into different Albums and in some cases sizes to help save time.

If you find something you wish to buy, you can either comment on the photo saying "sold" or message us directly. When messaging please remember to make note of the Item number that is on each photo. This will help us locate the item for you. We can then arrange for you to try these on your dancer or arrange purchase. Cash is preferable but we can do direct deposit as a last resort. It will be a first in best dressed scenario, so commenting on the photo ensures you are first in line.

If you are selling?

If you have items you wish to sell then please drop them into the white storage box that is in the secondhand corner at the studio

Please remember to put your items in a bag with your name and a price you would like the items to be sold for. For any clothing we would ask that these be washed prior to selling.

Due to health and hygiene we can no longer accept stockings that have been worn. If you have some to sell that are still new, and in their packaging, we can happily add these for you.

We will be uploading new lines to this page on a weekly basis.

Please remember this page is run by volunteers who do work, so please be patient as we will return all messages and comments As soon as we can.

If you have any questions, please don't hesitate to message us directly to the page.

So head over and Like our page today and happy shopping!
