Miss Tiff's News

Happy June everyone! I can not believe that we are almost at the end of Term 2.

We have been working so hard in class and having such a great time with the kids this term.

We have a very busy June/July holidays along with a jam packed start of Term 3. A reminder that in the second week of Public school holidays all classes are on along with our exam holiday workshop. This work shop is compulsory for all exam students. We also encourage any students who don't feel confident with knowing their exam work that they book in for a couple of privates prior to holiday workshops. This is to allow our teachers to dedicate their full attention to detail in our exam workshop and bettering our students skills. (During these courses we don't wish to be teaching students work that has already been taught.)

NEW MOCK EXAM SCHEME!

This year we are introducing a new mock exam scheme for those of our students who don't participate in our COMDANCE exams. These mock exams will be a fun way for our students to be assessed by our very own Miss Parker who is a COMDANCE examiner. This will allow them to show the skills that they have learnt in a comfortable and more relaxed environment. These mock exams will also give these students the opportunity to set themselves goals and to ensure they obtain the same skillset as their examination class mates. This will allow our students time to build their confidence in a familiar and comfortable setting whilst still pushing themselves. These mock exams will also enable your child to move up to the next grade at the end of the year, whilst giving them the greatest feeling of achievement and accomplishment.

All students are encouraged to participate in our COMDANCE examinations but if for any reason they are unable to or if it's in their best interest our new mock exam option is perfect for them. These students will not receive a mark taking the pressure of your dancer. These students will be able to show that they have the knowledge to completed their relevant grade and will allow them to move up with their examination class mates.

There will be a fee for these mock exams however will be a much reduced cost compared to our COMDANCE exams. This will simply be to cover the costs of staff. We are so excited to watch our students continue to grow, gain skills and build confidence.

WINTER IS HERE!

Now that winter has set in and the evenings are very cool, please ensure your dancer is wearing their cross-over or jumper to class over their leotard. (Please not school jumpers or random jumpers!) This is going to help keep our dance family safe and well this flu season. Just a friendly reminder to please ensure that your dancer is wearing their BPA uniform to class or ensure their dance wear is our studio colours and appropriate for their lesson. No school uniforms or random colours please!

We are so looking forward to another amazing term with you all!

With love
Miss Tiff x

BPA Second Hand Store

WE ARE NOW ON FACEBOOK!!

This page will now be your one stop shop for all our second hand dance gear.

This will now allow you to have a look through all our stock and be able to message us direct or comment on the photo of any item you are interested in. So how does this work?

If you are buying?

Feel free to look over the page. We have sorted items into albums to make your search easier. If you find something you wish to buy, you can either comment on the photo saying "sold" or message us directly. When messaging, please remember to make note of the item number that is on each photo. This will help us locate the item for you. We can then arrange a time for you to try these on your dancer or arrange purchase. Cash is preferable but we can do direct deposit as a last resort. It will be a first in best dressed scenario, so commenting on the photo ensures you are first in line.

If you are selling?

If you have items you wish to sell, please drop them into the white storage box in the second hand corner at the studio. Please remember to put your items in a bag with your name and a price you'd like to sell it for. We would appreciate any clothing being washed prior to selling.

Due to health and hygiene we can no longer accept stockings second hand. If you have some to sell that are new and in their packaging, we can happily add these for you. New items will be uploaded to the page on a weekly basis.

Please remember this page is run by volunteers who do work, so please be patient and we will reply to all messages and comments soon as we can.

If you have any questions, please don't hesitate to message us directly to the page. So head over and "Like" our page today. And happy shopping!

*Now that it's getting cooler,
come and check out the
winter wear that's available.*
